Application for Independent Operation Qualification of ZJE Core Facility

Due to experimental and work needs, I apply for the independent operation qualification of _____ instrument of ZJE Core Facility.

In accordance with the rules and regulations of ZJE Core Facility, I earnestly study the method of application and operating procedures of the instrument, and strictly abide by the "Laboratory Safety Regulations" and "Regulations on Management of Independent Operation Qualification" of ZJE Core Facility. After obtaining the qualification, the instrument will be used in strict accordance to the management regulations of ZJE Core Facility. I am responsible to take care and follow standard procedures of the instruments accordingly. During the usage of the instrument, **if I do not follow the guidance of the technicians and if I violate the standard operating procedures, the maintenance costs of the instrument will be borne by the research team to which I belong. For details, refer to the "ZJE Core Facility Management Regulations" and the instrument management rules of each sub-platform.**
